Detailed Action

The following is responsive to Applicant's amendment received Jan. 21, 2004 and the petition decision of June 10, 2004.

Claims 1-30 are cancelled. No new claims are added. Claims 31-34 are currently pending.

Response to Amendment/Remarks

Applicant's arguments traversing the previous rejection of claims 31-34 under 35 USC 103(a), set forth in paragraph 1 of the office action mailed Oct. 3, 2003, have been carefully considered. Applicant states that a petition under 37 CFR 1.78(a)(3) to obtain an unintentionally delayed "claim of priority" under 35 USC 120 has been filed concurrently with the amendment and, when granted, will enable Applicant to overcome the rejection of claims 31-34 by relying on the filing date of 09/220,813 as the effective filing date of the instant application.

However, the decision dated June 10, 2004 dismisses Applicant's petition under 37 CFR 1.78(a)(3) for reasons discussed therein. Thus, it appears that until further action is taken by Applicant to satisfy the requirements set forth in the petition decision, the Examiner must respectfully maintain the rejection.

Conclusion

Claims 31-34 stand rejected.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
